

#### Field of study:

### Management

**Subject: Information Management Processes** 

Level of study: undergraduate studies

System of study: Full-time

Profile of studies: general academic

**Subject: Information Management Processes** 

## Form of classes and the ECTS points

	Number of hours	ECTS points	Credit
lectures	30		exam
Total	30	6	

## Aims of teaching

The aim of the course is to familiarize students with the role of information processes in modern management and presentation of the methods used to implement information processes. As part of your studies, it is important to familiarize the student with the principles of knowledge processing and the use of expert systems.
