

**Field of study:**

## **Management**

**Subject: Global Financial Governance**

Level of study: graduate studies

System of study: Full-time

Profile of studies: general academic

Subject: Global Financial Governance

## **Form of classes and the ECTS points**

|           | Number of hours | ECTS points | Credit           |
|-----------|-----------------|-------------|------------------|
| lectures  | 15              |             | exam             |
| exercises | 15              |             | credit with mark |
| Total     | 30              | 6           |                  |

## **Aims of teaching**

- to make students aware of the need of the systemic approach to the governance of the global financial system
- to transmit the sensitivity to institutions, procedures and decision-making

## Intended learning outcomes

| KNOWLEDGE          |                                                                                                                                     |                                                 |
